} LOOKUP @ 0.16sec.

S3922-K1 LOOKUP 0.16sec

Same

- very nice sample
- surface slightly sloped front to back
- water on top of core

S3922-1x2

S3922-2x1^{2x2}

- very nice
- water on top
- slightly hummocky but generally level surface

S3922-3x1^{3x2}

- nice slab
- water drained from top
- added water
- slightly disturbed one edge - right side in image
- nice level surface - slightly twisted (hummock?)
